#### **Annual Report**

#### Year Ended 31 December 2019

The Trustees present their Annual Report and the audited financial statements of the charity for the year ended 31 December 2019. The Trustees have adopted the provisions of Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS102) in preparing the Annual Report and financial statements of the charity.

#### The Trustees

The Trustees of the charity are also company directors for the purposes of company law.

All Trustees give their time voluntarily and receive no benefits from the charity apart from those reimbursed expenses set out in note 6.

The Trustees serving during the year and to the date of this report were as follows:-

Revd P Whittle
Revd Prof D Thompson
Mr K Hounsome
Mr A East
Mr C Patten
Mr G Heathcote
Revd Dr J Tollington

#### Aims and Objectives

The charitable company's purpose as set out in the objects contained in the company's Memorandum and Articles of Association is the advancement of the Christian religion especially by the means of, and in accordance with, the principles of the United Reformed Church as set out for the time being in 'The Manual'.

The aims of the charity are to support local churches in their outreach and mission and to share the vision of the URC's General Assembly with the local churches.

The United Reformed Church (Eastern Province) Trust has two distinct roles. The first is to act as the corporate Trustee of local churches, manses and other local church land. The second is to act as the holding Trustee of the collective financial assets of the Eastern Synod.

In relation to the first role, the Trust acts according to the United Reformed Church Acts 1972, 1981 and 2000: particularly the 1981 Act. Local URC churches operating in the Eastern Synod area are separate and independent charities. There is no common control or unity of administration with any of these bodies and they are not deemed to be connected charities within the understanding of the Charities SORP (FRS 102). None of the financial assets or liabilities of these bodies are incorporated in the Trust's financial statements as the Trust is not the beneficial owner and there is neither parent nor subsidiary relationships.

In relation to the second role, the Trust's responsibility is to exercise ultimate oversight over the finances of the Synod (including its budget and accounts), as set out below. The Trust is also responsible for employment of most remunerated Synod staff.

#### Achieving delivery of the Trust's aims and public benefit

The strategy for achieving the Trust's aims and objectives is to provide pastoral, educational and mission, technical and financial support. All these forms of support are designed to promote and share the Christian faith and, in particular, the principles of the URC in each area where a local congregation operates. The Trustees review the aims, objectives and proposed future activities on a regular basis. The Trustees follow the general guidance issued by the Charity Commission on public benefit when doing so and the following sections of this report describe how the Trustees have carried out the purposes of the Trust for the public benefit.

#### **Annual Report**

#### Year Ended 31 December 2019

It is important to note that the Trust's functions are generally exercised through the Eastern Synod of the United Reformed Church and its committees (see section headed "Structure, Governance and Management").

#### Pastoral Support

The Pastoral Committee works with and through the Synod Moderator and others to provide spiritual, pastoral and strategic leadership, care and challenge to local churches and their ministers. They have a particular role in encouraging conversations about pastorates' needs, ensuring effective but sympathetic deployment of ministerial resources as well as overseeing churches during ministerial vacancies. They also monitor the progress of those applying for, and undertaking, various types of ministerial training and work to develop ecumenical relations in the area covered by the Synod as well as encouraging local churches to "think ecumenically" when planning all their initiatives.

#### **Educational and Mission Support**

The Mission Committee works with and through the Moderator, Mission and Training Officer and Children and Youth Development Officer to provide or encourage training and development for ordained and lay people; organise and support activities for, and work with, children and young people; and encourage mission and outreach activities to be undertaken primarily by local churches in their own towns or villages. The Synod has established a Pioneer Fund (funded from property sales) for the purpose of supporting major new mission activities and in this connection is currently supporting an ecumenical Pioneer Ministry project on a new housing estate at St. Neot's. Through the Faith in Action group of the Mission Committee, the Synod and local churches are made aware of need and injustice locally, nationally and internationally and challenged to respond in ways which make a difference.

#### **Technical Support**

Synod officials are a resource available to help local churches understand and keep up to date with their obligations as charities, employers, providers of services to the public and occupiers of buildings. Where necessary, Trustees and Synod officials also help local churches through the process of considering the acquisition, modification or disposal of premises and issues of trust, property and charity law. The Listed Buildings Advisory Committee (as constituted by the Ecclesiastical Exemption (Listed Buildings and Conservation Areas) (England) Order 2010) offers independent advice to the Synod Property Committee, together with assisting local churches occupying "Listed" buildings through the complexities of the legal processes governing these types of buildings, including offering advice on their care and maintenance.

#### Financial Support

A range of grants (and, more rarely, loans – constituting much of Programme Related Investments) is made available to local churches and ministers to assist with children and young people engagement, mission and outreach, maintenance and improvement of properties to enhance interaction with their communities and ministerial and lay training and development. In most cases this support is provided through the Resources/Property Committee, which meets four times a year and oversees financial and property-related matters for the Synod. The delegated powers of the Resources Committee and its interaction with the Trust and Trustees are set out in the Synod Financial Policy which is revised periodically by Synod. The Finance Policy sets out the charity's investment policy and ethical constraints under which it operates. For further details see the section headed 'Investment Policy' (below).

Churches are encouraged to retain and invest capital whenever possible and to fund new building works, redevelopments, maintenance works and pastoral assistance from their investment income. Where there are insufficient funds, grants or loans may be made available to Churches and Synod Committees, in the case of loans for periods normally not exceeding five years.

#### **Annual Report**

#### Year Ended 31 December 2019

#### **Achievements and Performance**

#### Mission Committee

- The Committee continue to oversee activities arising from Walking the Way
- The Committee continues to grapple with the challenges of attracting young people in the 20 to 40 age group, but recognising that one size does not fit all
- The Faith in Action Group continues to present matters of concern to Synod and gives links to websites
  that provide further information on issues such as social justice, racial justice, the environment and rural
  matters
- That Group has also carried out an audit that centres on local mission and outreach in local churches
- Through the Synod's Mission and Training Officer (Lindsey Brown) mission (including worship)
  resources are provided to churches and a range of training programmes are offered for lay preachers,
  elders and others. Amongst other activities, Lindsey also administers the Educating Ministry programme
  covering the training needs of serving ministers
- Through the Synod's Children and Youth Development Officer (Nicola Grieves) training, advice and
  consultancy is provided to those working with children and young people, as well as advice and training
  related employment issues and safeguarding. Nicola also organises or helps at events for youngsters,
  both Synod-wide and in local churches. It was particularly good to see the Youth Synod and Children's
  Synod in March 2019 so well attended
- Elders Roadshows took place across the Synod in May and June
- The Loves Farm initiative (near St Neots) has been recognised as a Mission Project
- A building project has started in Cambourne to which the Synod has contributed £250,000
- A new CRCW has been appointed to serve Dovercourt URC
- A new Green Advocate (Jeremy Flack) has been appointed

#### Pastoral Committee

- This Committee's work is largely of an ongoing nature, in particular supporting the Moderator as he considers ministerial vacancies and the challenges of deployment
- The Committee has oversight of the LMMR process, receiving reports of mission reviews carried out in local churches
- It also oversees the process for authorising lay persons to preside at the Sacraments
- The Committee also links with the work of the five Area Partnerships and one United Area
- One lay preacher training day took place at Westminster College; in this connection, the number of lay
  preachers active within the Synod has held up reasonably well
- The Committee has noted the uniting of the Stetchworth and Cheveley congregations, the dissolution
  of the Bridgewater Drive Local Ecumenical Partnership and, with sadness, also the closure our churches
  at Duxford, Little Abington, Shipdham and Writtle

#### Resources Committee

- The Committee continues to provide a range of property grants as well as grants for children's and youth work.
- In particular, it has committed to significant funding over five years to the Love's Farm Mission Project
- The Committee continues to oversee the work of the Ministry and Mission Advocates in their work administering the Fair Share scheme through which local churches contribute to the provision of ministry throughout the denomination
- And as part of that oversight has agreed to phase out over five years the contribution that local churches make through the scheme to the running of the Synod office.

#### **Annual Report**

#### Year Ended 31 December 2019

More generally, the Synod's Committee, including the Executive Committee, have worked though the responses to the Synod Review carried out in early 2019. Particular outcomes relate to

- A clearer understanding of the Synod's Vision, in particular its focus on the combined visions of all our congregations
- A need to encourage and strengthen the work of the Area Partnerships
- Improving communication, particularly on what the Synod does
- Ways of supporting local churches

#### **Financial Review**

#### Financial Statements

The financial statements, including the notes, have been prepared in compliance with the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102). The analysis of income and expenditure reflects the classification of activities, together with costs relating to administration. The Synod and Trust Company do not sell goods or services, nor are there any other trading activities.

A financial review document is made available to all members of Synod, and local churches if requested. This document highlights the main features of these financial statements. The review includes a comparison between the budget and the final operating income resources and expenditure.

#### Statement of Financial Activities

The Statement of Financial Activities is shown on page 13, with a more detailed analysis of income and expenditure on pages 20 to 23.

The total operating income for the year was £891,445 (2018: £1,053,816), the majority of which is investment income.

This year the church property grants totalled £282,464 (2018: £344,283). This is a positive development in so much as churches had been struggling to find the match funding to proceed with projects.

Receipts from church and other property sales totalled £787,005 (2018: £848,526) and it is important that these capital receipts continue to be invested wisely.

#### **Balance Sheet**

The above result led to an increase of £2.406m (2018: £0.393m) which has resulted in a combined fund balance of £20.411m (2018: £18.005m) at the year-end. An analysis of the movement of funds can be found in note 9.

Programme Related Investments total £944,456 (2018: £947,957) comprising 4 outstanding loans and 8 property investments (2018: 4 loans and 8 property investments). These investments represent funds invested by Synod to assist local churches and retired ministers to purchase or update their properties.

#### Fundraising Sources

Synod meeting annually authorises a levy to be raised for Synod administration purposes from local churches together with their contributions to the denominational Ministry and Mission Fund. The other main sources of regular income are investment and rental income. In addition, in some years, substantial sums become available to the Trust as a result of church closures. No fundraising activities are carried out at Synod or Trust level.

#### **Annual Report**

#### Year Ended 31 December 2019

#### Investment Policy

The policy seeks to achieve as high an income as possible, subject to protecting the capital value of the funds against inflation. The investments include sharing in some churches' property developments but are otherwise a mixture of fixed interest and equity marketable securities. The Synod seeks to ensure that none of its investments can be seen to support practices which are against the conscience of Christians following the Ethical Investment Guidelines approved by the URC General Assembly from time to time. These Common Investment Funds are governed by Charity Commission Schemes.

A number of local churches have asked the Synod to hold, and invest, certain funds on their behalf. Such funds are not Synod funds and are not included in the Trust financial statements.

#### Reserves Policy

The Trust holds funds under a number of different terms. Funds which are restricted may only be used as directed by the funder at the time they were granted to the Trust. Details of the specific restrictions of those individual funds are disclosed in note 18 to the financial statements.

Other funds are unrestricted and can be used at the discretion of the Trustees in furtherance of the Trust's objects. It is the policy of the Trustees to designate certain funds for particular purposes as agreed from time to time and details of the purpose and use of those designated funds can be found in note 18 to the financial statements.

The Synod seeks to recognise the needs of both the present generation and future generations within the Church by retaining those one-off capital receipts to which it from time to time becomes entitled under the provision of the URC Acts. It is the present policy that, normally, only the income on these reserves is expended upon charitable purposes but an exception is made in relation to money going into the Pioneer Fund or a small mission support budget.

The remaining general unrestricted funds are required to cover the support costs and grants awarded. The Synod Finance Policy specifies that, typically, sufficient cash should be held on short or medium term deposits to cover at least one full year's anticipated revenue expenditure and also allow for the capital purchase of a manse or similar building – though the exercise of discretion is permitted in deciding how much cash it would be advisable to hold at any particular time.

At the year-end general unrestricted funds amounted to £1,461,258 (2018: £1,321,232), excluding designated amounts. The Trustees are satisfied this is sufficient to meet day to day objectives.

## Risk Management

The Trustees are responsible for the management of the risks faced by the charity. Risks are identified, assessed and controls established throughout the year. A formal review of the charity's risks was undertaken in 2019, and reported to the Trust Directors. The main change is the risk that there may be a very large shortfall on pensions.

The most serious risk facing the charity would be the Synod failing to achieve its strategic and charitable objectives, either through resources being put into programmes which do not meet those objectives or through failure of Trustees and other Committees to consider the charity's objectives when making decisions. To manage and mitigate this risk, the Trustees consider the 'Aims and Objectives' section of their annual report each year to ensure this remains appropriate and, in so doing, are reminded of the objectives which they must constantly keep in mind. Also, having Convenors of Committees give an account of their Committee's decisions to the Synod Executive, on which three Trust Directors sit, ensures effective oversight of their day-to-day activity and decision making.

#### **Annual Report**

#### Year Ended 31 December 2019

Another principal risk is business interruption: either through absent personnel or a disaster causing restricted or no access to the Synod office. A Business Continuity Plan was approved by Synod Trust Directors in the spring of 2013 and reviewed and updated in November 2015.

Among the key risk controls used by the charity are:

- a written financial policy subject to periodic review (an updated version was adopted by the March 2015 Synod meeting);
- clear financial authorisation and approval levels (reviewed and tightened in 2011);
- detailed summary accounts produced for scrutiny by Trust Directors and Resources Committee at every meeting during the year;
- financial statements presented at each Synod meeting; and
- Synod officers and others having been vetted through the DBS service, where appropriate and Synod operating a 'Safeguarding' policy.

Through the risk management process established for the charity, the Trustees are satisfied that the major risks identified have been adequately mitigated where necessary. It is recognised that systems can only provide reasonable but not absolute assurance that major risks have been adequately managed.

#### **Future Plans**

In 2020, the Synod will continue to strengthen missional discipleship through the "Walking the Way" initiative and will provide a range of resources for local churches to grow more committed in their faith and more able to reach out to help others discover their need for God.

The Mission Committee will continue to have a prominent role to play in enthusing congregations and facilitating the provision of resources. Efforts to reach out to children and young people within the Synod will be pursued and we hope to make progress in building greater awareness of, and commitment to, the World Church as well as promoting justice, peace and the integrity of creation. Particular issues that the Committee will be considering are the responses to the Faith in Action Group's questionnaire to local churches and also overseeing the work required to become an Eco Synod. The Committee will also oversee the work associated with Pilots now being integrated into the denomination's children's and youth work.

The Pastoral Committee will continue to support the pastoral work of the Moderator as appropriate, will oversee the process of declaring and filling vacancies, identifying and training candidates for ministry (both ordained and lay) and for promoting health, healing and spirituality.

The Resources Committee will continue to act in conjunction with and on behalf of the Synod Trustees in administering its various grant awarding processes and safeguarding the Synod's finances and investments. It will also participate in the review of the denomination's pension schemes, recognising that all Synods have a part to play in ensuring the schemes meet the requirements of the Pensions Regulator.

It is however relevant to note that this part of the Annual report is being written against the background of the coronavirus pandemic. Congregations cannot currently meet in their buildings and some of the Synod's activities have had to be cancelled and plans put on hold. But we pray that with God's help we will both as a country and a denomination come through this as safely and strongly as is possible.

#### **Annual Report**

#### Year Ended 31 December 2019

#### Structure, Governance and Management

The United Reformed Church (Eastern Province) Trust ("the Trust") is a company limited by guarantee formed on 20 March 2007 and is a registered charity, number 248796. It is governed by its Memorandum and Articles of Association as revised in 2008. All of the financial assets and liabilities of the Eastern Synod of the United Reformed Church ("Synod") are shown in the Trust's Financial Statements.

However, while the Trust holds the assets and liabilities of Synod, it is the Synod which is the decision making body, except in relation to matters relating exclusively to the business of the Trust for which the Trust Directors are responsible. The Trust is corporate Trustee for most land and buildings utilised by local URC Churches.

The Finance & Trust Officer and the Resources Officer attend Trustee meetings but are not themselves Trustees.

#### Appointment of New Trustees

The Trustees nominate members to serve as Trustees of the Trust and Synod meeting ratifies the appointments.

There is an informal programme for the induction of Trustees.

Training is also organised for the Trustees (normally annually) to ensure they are aware of current practice and issues of charity law etc.

#### Constitution of the Synod

Eastern Synod is one of 13 Synods of the United Reformed Church ("URC") within the United Kingdom. It is constituted in accordance with the Scheme of Union and the United Reformed Church Acts of 1972, 1981 and 2000 (see www.urc.org.uk). It has oversight of the URC in the East of England, covering Norfolk, Suffolk, most of Essex, most of Cambridgeshire and part of Hertfordshire.

In accordance with "the Structure of the United Reformed Church" it is responsible for:-

- Overseeing five area partnerships;
- Promoting church extension;
- Promoting ecumenical relations;
- · Opening, closing and extending church buildings;
- Overseeing matters affecting the ordained ministry, including discipline;
- Dealing with matters referred from the general assembly and mission council;
- Undertaking such other things which promote the welfare of the United Reformed Church.

The Eastern Synod, which is made up of ministers and lay representatives of each local church together with Synod officers, meets to transact business routinely twice a year but has delegated various powers to a number of committees as well as the Trust. The following committees are responsible for specific elements in the life of the Synod:-

- Executive Committee;
- Pastoral Committee:
- Mission Committee;
- Resources/Property Committee; and
- Listed Buildings Advisory Committee.

#### **Annual Report**

#### Year Ended 31 December 2019

#### Organisational Structure

Day-to-day financial and property activities are dealt with by the Finance and Resources Officers. In accordance with the URC Acts, many decisions need a Church Meeting resolution, a Synod approval (at present Synod has delegated its power of approval to Resources Committee) and a decision by the Trust Directors before actions can be taken by, or on behalf of, the Trust as Trustee.

#### Related parties

During 2010 a subsidiary company - United Reformed Church (Eastern Province) Design & Build Limited - was established. This company has remained dormant throughout the year.

There have been no significant related party transactions between the Trust and any of its Trustees or Synod officials during the year.

#### Use of Volunteers

Most ministers of word and sacrament are paid directly from the Finance Office of the United Reformed Church in London. The URC Trust (acting at denominational level) is a separate charity, again not under common control. The Synod office staff, Finance and Trust Officer, Resources Officer and Youth and Children's Development Officer are paid by the Synod. Other than that, all members of Synod Committees and other supporting and enabling Synod activities are volunteers, almost all being members of their local URC or Local Ecumenical Partnership.

#### **Key Management Personnel**

The key management group within the Synod structure is made up of the Synod Moderator, the Synod Clerk and the Synod Treasurer. The first of these is remunerated by the denomination centrally at the same rate as all stipendiary ministers of word and sacrament serving the denomination. Although the Clerk and Treasurer are entitled to claim a small honorarium both the current (2019) incumbents have declined this and offer their services in a purely voluntary capacity.

#### Directors' Responsibilities

The Trustees (who are also directors for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

Company law requires the Trustees to prepare financial statements for each year, which give a true and fair view of the state of affairs of the charity and the incoming resources and application of resources, including the net income or expenditure, of the charity for the year. In preparing these financial statements, the Trustees are required to:-

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

#### **Annual Report**

#### Year Ended 31 December 2019

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the Trustees are aware:-

- There is no relevant audit information of which the charitable company's auditor is unaware; and
- The Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Signed on behalf of the Trustees

Gil Heathcote Trustee

Date: 13 August 2020

#### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF

## THE UNITED REFORMED CHURCH (EASTERN PROVINCE) TRUST

#### Opinion

We have audited the financial statements of The United Reformed Church (Eastern Province) Trust (the 'charitable company') for the year ended 31 December 2019 which comprise Statement of Financial Activities, Balance Sheet, Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2019 and
  of its incoming resources and application of resources, including its income and expenditure, for the
  year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### Basis of opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

#### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustees have not disclosed in the financial statements any identified material uncertainties that
  may cast significant doubt about the charitable company's ability to adopt the going concern basis of
  accounting for a period of at least twelve months from the date when the financial statements are
  authorised for issue.

#### Other information

The trustees are responsible for the other information. The other information comprises the information included in the trustees' annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' report (incorporating the Annual Report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Trustees' report has been prepared in accordance with applicable legal requirements.

#### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF

## THE UNITED REFORMED CHURCH (EASTERN PROVINCE) TRUST

#### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us: or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies exemptions in preparing the trustees' report.

#### Responsibilities of trustees

As explained more fully in the Trustees' responsibilities statement, the Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intent to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <a href="https://www.frc.org.uk/auditorsresponsibilities">www.frc.org.uk/auditorsresponsibilities</a>. This description forms part of our auditor's report.

#### Use of report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinion we have formed.

#### **Notes to the Financial Statements**

#### Year Ended 31 December 2019

#### 1. Accounting Policies

#### **Basis of Accounting**

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (SORP FRS102), the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Practice.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. There are no material uncertainties about going concern. The financial statements are prepared in British Pound Sterling (£) which is the functional currency of the charity.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

#### **Funds Incorporated**

The financial statements show the combined income, expenditure, assets and liabilities of the following funds which are administered for the benefit of the United Reformed Church within the Eastern Synod:-

Synod Administration Fund Church Life and Mission Fund Retired Ministers Housing Fund Retired Ministers Holiday Fund Manse Fund Pioneer Fund Heritage Fund

Funds administered on behalf of local churches are not included.

#### **Description and Use of Funds**

Restricted income funds are funds whose use is restricted to specific purposes according to the terms on which the funds were received.

Unrestricted income funds may be spent generally for furthering the Christian and charitable work of the United Reformed Church in the Eastern Province. The main fund in this category is the Church Life & Mission Fund. Certain funds have been allocated by the Resources Committee but the committee retains authority to re-allocate such funds and so they are treated as Designated Funds within Unrestricted Income Funds.

#### **Notes to the Financial Statements**

#### Year Ended 31 December 2019

#### 1. Accounting Policies (continued)

#### Income recognition

All incoming resources are included in the Statement of Financial Activities (SoFA) when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

Fixed asset gifts in kind are recognised when receivable and are included at fair value. They are not deferred over the life of the asset.

The charity receives grants which are recognised at fair value when the charity has entitlement after any performance conditions have been met, it is probable that the income will be received and the amount can be measured reliably. If entitlement is not met then these amounts are deferred.

Investment income is earned through holding assets for investment purposes such as shares and property. It includes dividends, interest and rent. Where it is not practicable to identify investment management costs incurred within a scheme with reasonable accuracy the investment income is reported net of these costs. It is included when the amount can be measured reliably. Interest income is recognised using the effective interest method and dividend and rent income is recognised as the charity's right to receive payment is established.

#### Individual church property

The Trust is sole Trustee of the land and buildings of most local URCs but they are not the property of the Synod and are not shown in the financial statements. Sale proceeds from redundant properties or from part thereof which come into Synod funds are treated as unrestricted income from general funds. The income is recognised when the amount can be measured reliably and it is probable that the income will be received.

#### **Expenditure recognition**

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. It is categorised under the following headings:

- Costs of raising funds includes of costs of managing investments and programme related investments;
- Expenditure on charitable activities includes costs of ministry, mission, training and property grants; and
- Other expenditure represents those items not falling into the categories above.

Irrecoverable VAT is charged as an expense against the activity for which expenditure arose. Grants payable to local churches, organisations and individuals are within the charitable objectives. Where unconditional grants are offered, this is accrued as soon as the recipient is notified of the grant, as this gives rise to a reasonable expectation that the recipient will receive the grants. Where grants are conditional relating to performance then the grant is only accrued when any unfulfilled conditions are outside of the control of the charity.

#### **Notes to the Financial Statements**

#### Year Ended 31 December 2019

#### 1. Accounting Policies (continued)

#### Support costs allocation

Support costs are those that assist the work of the charity but do not directly represent charitable activities and include premises costs, office costs, governance costs, and salary costs. They are incurred directly in support of expenditure on the objects of the charity. Where support costs cannot be directly attributed to particular headings they have been allocated to cost of raising funds and expenditure on charitable activities on a basis consistent with use of the resources.

#### Depreciation

Properties recognised in tangible fixed assets are recognised at cost. The residual values of the properties are such that the depreciation charge is negligible. Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost, on a straight line basis over their estimated useful economic lives as follows:-

Office Equipment (including computers) - over five years
Fixtures and Fittings - over ten years
Motor Vehicle - over five years
Audio Visual - over five years

No amounts under £50 are capitalised. The Trustees conduct an annual impairment review.

#### **Investments**

Listed investments are recognised initially at fair value which is normally the transaction price excluding transaction costs. Subsequently, they are measured at fair value with changes recognised in 'net gains/(losses) on investments' in the SoFA if the shares are publicly traded or their fair value can otherwise be measured reliably.

Programme related investments are those held to further our charitable purposes. Programme related investments include investment in a percentage share of properties and bridging or other loans.

Related investments in properties are stated at cost subject to any adjustment arising from impairment which is considered on an annual basis. Gains on disposal of these investments are shown as other income in the SoFA. Investments by way of loans are stated at cost. Interest is charged on the loans at the COIF rate of interest, being the rate of interest the Trust would otherwise have earned.

#### Debtors and creditors receivable/payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

#### **Provisions**

Provisions are recognised when the charity has an obligation at the balance sheet date as a result of a past event, it is probable that an outflow of economic benefits will be required in settlement and the amount can be reliably estimated.

#### **Notes to the Financial Statements**

#### Year Ended 31 December 2019

#### 1. Accounting Policies (continued)

#### Leases

Rentals payable and receivable under operating leases are charged to the SoFA on a straight line basis over the period of the lease.

#### **Contribution to Pension Funds**

The charity participates in a defined benefit scheme, The Pensions Trust Defined Benefit Scheme, which is a multi employer scheme where the underlying assets and liabilities are not separately identifiable. In accordance with the SORP, it is accounted for as a defined contribution scheme. Contributions are charged as expenditure as they become payable in accordance with the rules of the scheme.

The charity also operates a defined contribution scheme. Contributions are charged as expenditure as they become payable in accordance with the rules of the scheme.

#### Tax

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

#### **Financial instruments**

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

#### Critical accounting estimates and areas of judgement

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and judgements relevant to the financial statements are:

Investments – estimate of fair value
Fixed assets – estimate of useful life and estimate of impairment
Indirect costs – allocation to activities

By decision of the Resources Committee, the Synod is committed to loans, not yet made, totalling £80,000 (2018: £80,000). All loans are subject to the COIF rate of interest that would otherwise have been received.

The Synod has no contingent liability arising from any undertaking to guarantee the repayment of loans made by the General Assembly of the URC to congregations in the Synod.

In relation to the Residential property, no interest is charged on the initial value of the investment. A proportion of the costs of repair are met by the Trust during the period of investment but the benefit should arise on disposal of the properties when the Trust receives a proportion of the proceeds relating to the investment proportion of the total original cost.

#### 18. Disposition of Funds as at 31 December 2019

The Church Life & Mission Fund has been created from the asset apportionments of former Trustee bodies and the sale of proceeds of redundant churches. Income only is used for grants and training support but the capital can be loaned to churches in accordance with the Synod Finance Policy. Included within these funds is Project Facelift which is used for the benefit of smaller churches.

In October 2005 the Synod Manse Policy was endorsed. A number of property sales were recognised and set aside as initial funding. The fund is designed to allow churches to release their interest in a property to the Synod's control thereby allowing Synod to position manses where they are required and to ensure that the houses within the manse scheme are kept in a good state of repair.

The Retired Ministers' Housing Fund is available to help in housing ministers in retirement.

The Retired Ministers' Holiday Fund was established from the sale proceeds of the Synod caravan and is used to benefit ministers.

The Heritage Fund has been set up specifically to support those churches who have the responsibility of maintaining buildings which are listed on the National Register. Grants of up to 50% of the cost will be awarded up to a maximum of £25,000 providing churches can demonstrate that they have regularly maintained their properties up to a reasonable standard. The money to support such grants comes from part of the proceeds of sales of redundant Listed buildings.

The Pioneer Fund was approved by Synod in October 2008 with the sole purpose to support churches envisioned with a pioneer project costing in excess of £250,000. In March 2013, Synod meeting amended the normal minimum project cost to £100,000. The money in this fund comes from part of the proceeds of sales of redundant buildings which are not Listed.

The Pioneer St Neots Fund is a sub-fund of the work of the Pioneer Fund set aside to support a five year project in the St Neots area.

#### **Notes to the Financial Statements**

#### Year Ended 31 December 2019

#### 19. Pension Scheme

During the year, some staff participated in The Pensions Trust Defined Benefit Scheme. The Synod's pension cost for the period was £6,420 (2018: £16,227).

Under the definitions set out in the Charities SORP (FRS102), the pension scheme is a multiemployer pension scheme. The Synod is unable to identify its share of the underlying assets and liabilities of the scheme, accordingly it has accounted for its contributions as if it were a defined contribution scheme.

The pension cost is assessed every five years in accordance with the advice of the government actuary. The assumptions and other data that have the most significant effect on the determination of the contribution levels are as follows:-

Latest actual valuation 30 September 2014

Actuarial method Projected unit method with a one year control

period

Investment returns per annum

Market value of assets at date of last valuation

£793.4 million

Proportion of members' accrued benefits covered by the actuarial value of the assets 81.8%.

The employer contribution rate is 26%.

A defined contribution scheme has also been opened for more recently appointed staff. Contributions for the year to this scheme were £26,556 (2018: £25,132).

#### 20. Commitments to the URC Pension Scheme

The pension scheme for ministers run nationally as a central function of the United Reformed Church has been in deficit for some years despite several attempts to resolve the underfunding based on the valuation approach required of the scheme actuaries. After the most recent valuation, all Synods were requested to confirm an ongoing willingness to help reduce the underfunding. At the balance sheet date, no further commitments were requested from the contributing Synods and therefore no provision is included in the financial statements.

#### 21. Contingent Assets

At the year end, the property of 1 church is held on Statutory Trusts in accordance with the United Reformed Church Acts of 1972, 1981 and 2000 by the Company following church closure. The proceeds of sale will revert to the Trust on sale in accordance with the Statutory Trusts on which the property is held.

#### **Notes to the Financial Statements**

## Year Ended 31 December 2019

#### 22. Financial Instruments

Financial instruments measured at fair value in the financial statements are fixed asset listed investments totalling £11,282,469 (2018: £10,233,772).

#### 23. Comparative Analysis by Fund

## 24. Post Balance Sheet Event

Subsequent to the year end the global outbreak of the COVID19 pandemic has created a number of uncertainties in the wider environment. This is a non-adjusting post balance sheet event.

The main impact exposure for the charity in its operations is on the valuation of its listed investments and returns on investments. The investments are held for the long term and although it is not possible to determine what the impact will be on the investment return in the short to medium term the charity has a strong cash reserve and fixed assets base from which to continue to fulfil its charitable purposes without disruption.
