FAQ

What do the groups involve?

You will attend six discussion groups over roughly 3 or 4 months. Synod will be hosting several Zoom Stepwise groups to make Stepwise accessible to as many people as possible – details of the first Zoom group are below.

What happens between the group sessions

Before each group session you log on to the Stepwise Hub and work through the material for that session. There will be things to read and think about, weblinks to follow, videos to watch and audio clips to listen to. These activities will help you to get the most out of each session.

What Technology do I need?

All the material and resources you will need are accessed on the Stepwise Hub. You can access the Hub via any web browser using a computer, laptop, tablet, or smartphone.

Everything is clearly arranged and instructions are given so that you will know exactly what to do, and when to do it.

What support is there?

There will be support and help, (technical, practical and spiritual!) available to guide you through the course.

What does it cost

Synod will pay £25 towards the cost of the course. We ask you to contribute £5 towards the cost if you feel able, but money should not be a barrier to taking part.
